Harbour Investment enters into a Share Purchase Agreement with **Omeko Papier Sp. z o.o. Poland**

Frankfurt, Germany - March 4, 2022

Harbour Investment enters into a Share Purchase Agreement with Omeko Papier Sp. z o.o. Poland.

Omeko is one of the largest manufacturers of POS and label in East Europe.

Harbour Investment integrates Omeko into its portfolio of Schades - R+S Group, the largest Group of POS and Label manufactures in Europe.

This investment is a commitment to the pan-European market and its transformation to be an Omnichannel provider.

"I am very proud and thrilled about this exciting transaction for our Group Family. This will further enable our strategy of sustainable growth and success." said Marcel Bergmann, CEO of Schades - R+S Group.

"This acquisition is another realization of the various growth strategies pursued by our group, and we will continue to achieve innovative success by providing higher customer satisfaction and value through differentiated competitiveness." said Jun Park, CSO of Schades - R+S Group.

"It is a big day for our team and our clients. Being part of Schades - R+S Group will strengthen Omeko leading regional position and enable our clients to benefit from many synergies that we will achieve as a group. Omeko team will get access to Group know-how and expertise. Together with Omeko experience on Central European market, it will make even biggest Pan-European projects possible" said Marcin Dworzański, CEO and previous owner of Omeko.

"Joining Schades - R+S Group is a very important milestone for Omeko. For years we have been sharing same values - commitment to excellent customer service, focus on long term perspective, drive and ambition to be the market leader. Now, together we can grow further and provide the most reliable supply of highest quality paper products." said Maciej Dworzański, Vice President and previous owner of Omeko.
